

Athena Patient Portal

Welcome to your [Athena Patient Portal](#)! Your new patient portal gives you access to all the information related to your services with As You Are. You'll be able to see upcoming appointments, messages from your provider, and even see recent test results.

We encourage you to login to your [Athena Patient Portal](#) to familiarize yourself with all of the features.

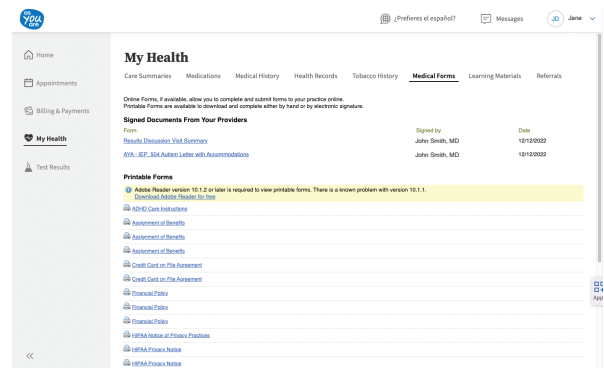

Homepage

Your patient portal home page displays important information regarding upcoming appointments, new messages, recent test results or health reminders.

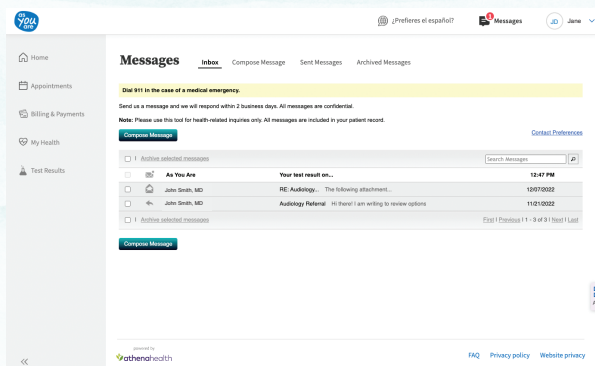

My Health - Medical Forms

In your medical forms section, you'll have access to your visit summaries and letters from your physician (i.e. work/school excuses, letters requesting IEP evaluations,

Messages

In your messages app, you'll be able to send your As You Are physician or care sidekick a message. You can even add attachments to the messages as needed.

Test Results

In your test results, you'll be able to find your child's official Autism Evaluation results in a final, comprehensive evaluation report.
